

Len Wolter

Inducted 9th May 2009

Len Wolter – Port FC.

His tireless efforts behind the scenes for Port are regarded as phenomenal.

Incredibly, for more than 60 years he has gone from doing his best on the field to diligently serving the club off the field as a volunteer timekeeper, assisting in the rooms for the colts and seniors and doing early morning preparation work in the kitchen. Being a brickie by trade he has worked incredibly hard on club projects and at working bees.

A deserving recipient of the Colin Casey Award, which acknowledges outstanding contribution to the club.

The St. Mark's-Port Football Club's Hall of Fame is an honour bestowed upon those who have made a significant contribution to the game of Australian Football for the St. Mark's-Port Football club since our inception.
