

Marlene Murphy

Inducted 9th May 2009

Marlene Murphy – Port FC.

Another of the magnificent volunteers who played a significant role in making the club what it is today. Had the distinction of being the first woman ever nominated to the club's full committee, having first represented it as Secretary of the Social Committee.

Her devotion to Port for over 30 years was tireless and immensely valuable, indeed greatly appreciated and there is no question the club would have struggled to survive without her direction and help from the Ladies and Social Committee. Her work with Club functions such as 'New Faces', Deb Balls and the Disability Deb Ball have been nothing short of outstanding.

The St. Mark's-Port Football Club's Hall of Fame is an honour bestowed upon those who have made a significant contribution to the game of Australian Football for the St. Mark's-Port Football club since our inception.
