

John Pasculli

Inducted 9th May 2009

John Pasculli – Port FC.

Highly regarded by his team mates and opponents as a very committed and hard at the ball rover. Inspired those around him, he was the third Port player to play 200 games which was an outstanding effort.

John was one of the many people dedicated to the club both on and off the field. Like his playing style he was never frightened to 'roll up his sleeves' and do the job. John has remained an outstanding club person since moving to Adelaide.
