

John Rafanelli

Inducted 9th May 2009

John Rafanelli – Port FC.

On any given Friday night over many years one has probably seen John Rafanelli selling raffle tickets raising money for the junior players. He has organised trips to take the kids to Adelaide to see AFL or SANFL games and organised special guest coaches. His commitment to the club, particularly the juniors, has been incredible.

He was a trainer in the 1970's, has been Chairman of Port junior committee since its formation and through his outstanding effort the club has developed and retained many brilliant young players.

The St. Mark's-Port Football Club's Hall of Fame is an honour bestowed upon those who have made a significant contribution to the game of Australian Football for the St. Mark's-Port Football club since our inception.
