Following the first successful Public Consultation held May 2012, the Port Pirie Regional Council together with Geoff Brock MP Member for Frome and Regional Development Australia Yorke and Mid North invite members of the public to attend a second Consultation.

Comments from the first Consultation have been incorporated into a revised strategy document which will be used to guide the future growth of the Port Pirie region.

Come along and listen to what is planned in the areas of Business Growth, Infrastructure Upgrades, City Beautification, Community Facilities and other topics of interest. There will also be opportunities to provide your thoughts and comments so that we can all work together with common goals.

A copy of the revised Strategy is available from the Community Consultation section of the Port Pirie Regional Council website at www.pirie.sa.gov.au
