

SILENT AUCTION ITEM #1 (2012 Port FC Players' Trip Fundraiser)

We are pleased to offer you the opportunity to bid for a priceless piece of AFL memorabilia; a guernsey signed by no less than 28 of the 2012 Adelaide Crows! All the big names are featured, including 2012 Brownlow fancies Patrick Dangerfield and Scott Thompson, the mulleted and enigmatic goal kicker Taylor Walker, current NAB Rising Star favourite Daniel Talia and captain Nathan van Berlo among a host of other stars – plus of course our very own Lewis Johnston who made his long awaited Crows debut on the weekend. Don't forget the Crows are sitting pretty in second position on the ladder heading into September so there is every chance this could end up being your very own piece of Premiership memorabilia! The silent auction officially takes place at the Port Football Club Hall of Fame Dinner this Saturday night the 18th of August, but if you are unable to attend you can enter your bid by contacting Josh Keain or Aaron Casey through the club and making an offer to secure this fantastic item. Good luck!

SILENT AUCTION ITEM #2 (2012 Port FC Players' Trip Fundraiser)

This item could be the investment of a lifetime; a North Adelaide guernsey signed by former Port Bulldog stars that are making the most of their talents on the big stage Lewis Johnston and Sam Mayes. Lewis made his long awaited debut for the Adelaide Crows on the weekend after strong performances in the SANFL all season since making the move back from Sydney, and Sam is an Under 18 All Australian who is biding his time as a young star in the North league side and attracting a lot of interest from AFL clubs as he prepares to enter the National Draft this year. This item is truly an investment and could one day be worth thousands as a unique piece of Port Pirie sporting memorabilia! The silent auction officially takes place at the Port Football Club Hall of Fame Dinner this Saturday night the 18th of August, but if you are unable to attend you can enter your bid by contacting Josh Keain or Aaron Casey through the club and making an offer to secure this fantastic item.
