With his wife Lorraine are extremely reliable and hard workers in the kitchen. This is the third year in a row the winner of this important trophy has been a kitchen volunteer and shows the importance that the Club places on these workers.

Life Members

Todd Hancock

Todd was always going to play football for the Port Football Club with his family having been involved with the Port Football Club since we changed our name to Port in 1941. Todd began his senior career in 2001 having played 121 league games and 53 seconds games for a total of 174 games. For the last few years Todd has worked in Roxby but has still managed to play and train when home. Todd was a member of the 2007 & 2008 League premierships teams and a member of the 2001, 2003 & 2009 Seconds Premierships teams. A respected Club man Todd

has always given his best for the Club. Todd's grandfather Bill Hancock a life member of the Club was instrumental in the construction of the Port Oval and he would be extremely proud that Todd has now achieved life membership of the Club.

Bob & Pam Sard

Both Bob & Pam have worked tirelessly in the kitchen for 15 years. They have worked most Friday nights during this period and have done a lot of functions. They are both part of a great kitchen team and are very reliable workers.

Bob has been a member of John Rafanelli's Junior Committee for 15 years assisting Bob in many of the Juniors BBQ's and assisting with the Juniors Friday night raffle.

Tony Mavilio

Another great kitchen worker. Cooks in the kitchen every Friday night. Also a member of John Rafanelli's Junior Committee assisting with the Junior BBQ's and what ever other job John requires of him. A Thursday night regular Tony is a great worker and supporter of the Club.

Gordon Williams

A Two times Seconds Premiership player who for the last ten years has been outstanding in his contribution in the kitchen. What more can be said about Gordon. The recipient of the Colin Casey Memorial Award tonight. The fact that he is one of four kitchen workers receiving this award tonight speaks volumes of not only his performance but that of the kitchen as a whole.
